

# Copyright Piracy Complaints

- GoodNovel Legal Team

In today’s increasingly rampant piracy, many of the author’s story by the rampant dissemination of piracy, a serious infringement of the legitimate rights and interests of the authors.

Therefore, in view of the need to protect authors’rights and the need to build a sound content ecology, the Goodnovel legal team has provided a “Copyright complaint guide”to help authors who have suffered from copyright infringement to protect their copyrights.

**If you are suffering from serious piracy, please try to save yourself first. And you’re welcome to contact [copyright@goodnovel.com](mailto:copyright@goodnovel.com). And submit evidence of infringement, the Goodnovel legal team will provide strong legal support!**

**The “Copyright complaint guide”includes the following piracy scenarios:**

| Copyright infringement scenarios | Form of content that has been infringed | Collect supporting documents  | Reporting and complaints portal                 |
|----------------------------------|---|---|---|
| Facebook – Page                  | Dissemination of pirated TXT files      | /n1. Screenshot of the offending post   | <u>FB–Page Reporting and complaints portal</u>  |
|                                  | Dissemination of pirated PDF files      | /n2. Collect links to this post<br>/n3. Collect the home page links   |   |
|                                  | Dissemination of pirated website urls   | /n4. Provide links to legitimate novels<br>/n5. Provide proof of copyright/ authorization for the use of the original novel |   |
| Facebook – Group                 | Dissemination of pirated TXT files      | /n1. Screenshot of the offending post   | <u>FB–group Reporting and complaints portal</u> |
|                                  | Dissemination of pirated PDF files      | /n2. Collect links to this post<br>/n3. Collect the home page links   |   |
|                                  | Dissemination of pirated website urls   | /n4. Provide links to legitimate novels<br>/n5. Provide proof of copyright/ authorization for the use of the original novel |   |
